

## 2016 SAMGMA Fall Conference

# Coach'em Up

We are excited to have Terri Tucker as our speaker this year. Terri will be highlighting the most important Leadership Best Practices for coaching individuals to achieve high performance. Those of you that attended our conference in 2014 will remember Terri and her topic "Eight Lessons from the Dirt Road". Terri has a gift of helping others look through the eyes of those they serve and find opportunities for growth. She coaches leadership to help develop practices, messages, and offerings that create success for all served.
