BENEFITS OF MEMBERSHIP

LET'S MEET!

Monthly meetings are scheduled on the second Tuesday of each month from 11:00am to 1:00pm. Meeting and meals are sponsored by Liberty Hospital and North Kansas City Hospital.

All general meetings are at no cost to the member, compliments of our sponsor hospitals. This is a great benefit of membership!

An up-to-date list of topics and confirmed speakers are posted on the website calendar. Online registration is as easy as clicking on the home page website link.

Our ACMPE Forum Rep provides information on continuing education credits for medical managers, which are available for all meetings, practicums and special educational events throughout the year. Qualified expert speakers in various fields of healthcare bring a wealth of knowledge to our members every month.

National MGMA provides information on political action initiatives and management news, included in our bulletins.

KEEP CONNECTED

The central office sends out periodic news via the listserv and emails to keep members up-to-date on important healthcare issues, education opportunities, and changes provided by various agencies.

These communications include a variety of internal association information such as meeting dates, topics, speakers and interactive news from affiliate organizations such as CMS, MGMA and local entities.

The listserv has become a favorite communication tool to stay connected with current happenings. It is used by managers to ask all sorts of questions of their peers and get answers quickly.

EDUCATIONAL EVENTS

Monthly Programs: The association has quality education at all monthly meetings as well as our symposium. Expert local/national speakers present timely information.

Annual Fall Symposium: This day-long event is packed full of excellent education and networking opportunities. Attendees meet with exhibitors from diverse specialties who service the healthcare industry. They feel supported and learn the latest innovative technologies that are available.

Not only is the networking between Managers and Business Partners valuable, relationships create a solid groundwork for long-term relationships.

YOU CAN HELP!

All members are encouraged to participate in some way, be it serving on an ad hoc committee, helping with hospitality, or offering a door prize.

Share your input on topics and speakers for possible use at meetings. Call the office with your suggestions. Be part of a panel discussion, or ask questions at round table discussions. Be engaged and create value for us all.

Social media and other interests are needed. We are looking for assistance throughout the year. Get involved in small ways. It's a great way to serve and develop long-time relationships with other members.

WHAT YOU GET

- Affordable member dues
- Expert speakers, panels, and FREE meals at monthly meetings (meals and facility generously provided by our sponsoring hospitals)
- Full day of education at our symposium with expert speakers. Low cost discount for early bird members. CEUs awarded
- Excellent networking
- Communication between local, state and national MGMA chapters
- Listserv interaction, questions asked and answered
- Referral opportunities
- Website resources
- Social media presence
- Membership assistance
- Programs of interest
- Business partner opportunities include annual value package options for advertising in variety of ways: website ads, banner ad, and door prizes. Time to describe your service/product while networking at meetings
